

Sponsorship

Skiing is a fantastic sport but unfortunately it is very expensive. My sponsors have helped me a great deal to make it through my season but I am still paying around 70% of it. This [pie chart](#) shows what the money in a season goes towards. Every single penny counts.

In numbers:

Coaching: £15000

Travel: £1600

Accommodation: £1800

Winter Catering: £1400

Skis: £3000

Ski Boots: £700

Poles: £300

Helmets: £300

Goggles: £200

Race Clothing: £1000

Gloves: £350

Protective Equipment: £200

Race Entries: £700

Season Ski Pass: £440

Fitness Training: £2000

Total = £28490

If you have any sponsorship questions please email me directly. I believe that sponsorship is very much a two way thing and I would love to discuss how I can help you out.
